

ADAM AND EVE

I believe woman is the essence of Man's soul. This is what I have tried to express in my continuation of Adam.

I feel Man is not whole without Woman.
Take out the woman, and the man is void.

My wife, Giovanna, is the essence of my soul. I cannot even imagine life without her.

Aluminium. edition of 6 plus 2 artist's proofs. 100 x 46 x 44 cm
